Dear Linn & Friends:

On behalf of the Canandaigua VA Medical Center patients and staff, we would like to extend our appreciation to you for the fishing trip on Honeoye Lake, BBQ, and snacks, for our Veterans.

Our staff and volunteers take pride in caring for our Veteran population. It is, however, through donations such as yours that give us the opportunity to provide the many extras that enhance their quality of life and is beneficial to their wellbeing. Collaboratively, we will make certain that the brave men and women who have fought for our honor and freedom will never be forgotten.

We are so grateful for the generosity of Service Organizations, community members, and community partners like you that allow us to continue the quality care and services that we seek to provide our deserving Veterans. We look forward to the opportunity to work with you again for future events.

Sincerely,

Robin M. Johnson
